With so many Pulaski County children learning from home, having a source of reliable Internet access is more important than ever. And the Pulaski County Public Library wants to make sure EVERYONE has it — so they're offering a wonderful service to anyone in need of wifi access by making the parking lots of all branches hotspots from 7 a.m. to midnight daily.

Please help us spread the word about this outstanding service from our friends at the library! Internet availability is crucial to ensuring our children are getting the education they need. SPEDA is committed to supporting educational opportunities at every turn to ensure student success.
